RE END OF TERM !!! CIRCULAR.

Dear parent/Guardian

It gives us great preasure once again to communicate with you through this circular at the end of a term like this(term three). Praise the Lord God for the gift of life and good health.We wish you all boundless success in your endeavours. Permit us to brief you about the following.

Appreciation;

We take this oppotunity to thank you our parents and more so those who have managed to pay the school fees to complision thank you so much for the support we don't take it for granted.

.Accademic performmence;

We thank our beloved teachers and parents who placed a hand in the smooth running of our school programmes such as the visitation week that turned out a success,therefore we thank every parent that never hesitated to come and those that have been doing homework with their children you might see it as a joke but it helps the child lots.And with great pleasure we inform you that our children have also been able to sit for their Mid and End of term 111 exams successfuly.

Discipline;

Our policy have remained firm though we experienced a case of one of our pupil performing adulthood behaviours on her fellows, and we glad to tell you that we handled the situation so well with the help of the childs parents. So please parents watch the space of your children in this long holiday.

NB: Come with a ream of papers

Panctuarity;

Most our childern have atleast managed to keep time which have helped them to improve on their performence through reading chats every morning , engaging in free activities and PE.

Smartness;

Our children have been aleast smart thanks goes to the parents that have managed to keep proper sanitation of their children,Only some few who are miss led by their parents making them wear the uniforms in the wrong days and we humbly pray this never happens again in the coming year.

Next term programme;

We are planning on holding a general meeting of both the parents and the teachers to give suggestions on various topics which will be shared in the long run and we request you to be positive when called upon.

Graduation party.

We hereby in a joyous manner to inform you that we have been able to stage our first graduation ceremony and our Top pupils have been promoted in style to Primary one.

We thank the parents of the graduates for the support that have made it happen.It might look small but very big for our children and pray for bigger the coming years.

Condolences;

Special prayer goes to Matovu Ethan's family who lost his Uncle and we pray that the soul of the deccesed rests in eternal peace,And may the good Lord strengthens the family.
